IMAFP Hong Kong**
April 5, 2009

Adivay Ni Itogon Benguet Association (Aniba-HK) celebrated their second anniversary last 05 April 2009 at the Peak Tram Garden. It was a simple gathering but the unity is seen. Friends from the Filipino Community including Modern Arnis Hong Kong (IMAFP-Hong Kong) were invited and joined the celebration. Songs and dances from different Filipino groups as well as the Modern Arnis sayaw, sinawali, knife give and take drill, etc. (from IMAFP-Hong Kong) were performed during the celebration.
