Upon the completion of the FMA Festival, Senior Master Rene Tongson of the IMAFP working with the Vice Mayor of Malabon, Honorable Arnold D. Vicencio arranged a demonstration of Modern Arnis for October 10, 2006.

A program was developed for the law enforcement of Malabon City. The objective of the program was to develop the barangay Tanods to enhance their

skills in monitoring the peace and order situations of every barangay of Malabon City. The training started on October 14th and was held every Saturday and Sunday, teaching a number of 250 responsible barangay Tanods and was completed on December 2, 2006 with a graduation ceremony. The program is not only like an ordinary law enforcers' training program but will be extended after the graduation by forming a group, “**The Malabon Arnis**” with a set of officers. This group will be an affiliated member of the International Modern Arnis Federation Philippines through the supervision of Senior Master Dulay.
